[Manage my visit and check activities](#)

Upon arrival

Please present the following **QR code** at the reception.

This booking grants you access to all **free access** activities. It is valid for the number of visitors, date, and time listed above. Please check in by showing this confirmation to the reception staff.

Activities requiring extra booking

Some high-demand activities, such as **guided tours** and **lab workshops**, have limited capacity and require on-site booking **after check-in**. Once you've checked in, you can book these activities from the list available via the button above.

Modify or cancel your booking

[Click here](#) to cancel your booking. You'll then have the opportunity to make a new one.

Getting to CERN

- CERN is accessible via public transport.
 - Paid parking is available for cars
 - Free parking is available for bicycles

Find directions and transport options on [Getting here](#) page.

Support CERN Science Gateway

All visits to CERN Science Gateway are **free of charge**. If you'd like to support CERN's outreach activities, consider [making a donation](#) .
